We are excited to see our own Sara Wager taking a big step of faith as she heads to Honduras, Central America next week. She plans to minister there in an orphanage for the next two years as an assistant house parent. Please add her to your prayer list along with our other missionaries. May God continue to use each one of them for His Kingdom and His Glory!!!

We're back in Peru! We enjoyed our times of sharing with the church and women's group. We are strengthened, encouraged, and blessed by our relationship with ACC. Thank you. Pray as we adjust once more to life, school, and our responsibilities down here. Pray for strength and grace during this time of transition.

Thanks for the part you play in my ministry with the JESUS Film. We've completed products in 990 languages and 216 translations are in process. We know of 201 **MILLION** decisions to trust Christ from live film showings since 1979. WOW!!! Personally, pray for a new roommate and for additional financial support. I am lacking \$660 a month.

Ministering with InterVarsity Christian Fellowship on the UW-Milwaukee campus

I attended Urbana '06 with 10 students. Join me in prayer for Anthony, who committed his life to Christ. For this semester, please be in prayer for: our small group Bible studies, our GIGS (Groups investigating God), our weekly large group meeting, Friday service project days, and our winter conference in March. As of this semester I am also assigned to Marquette University where I am easing into the primary staff role. Pray for these new responsibilities and for needed funding.

Serving with Baptist Pioneer Missions evangelizing and discipling the deaf in Sucre, Bolivia

Bolivia has had some severe flooding which has killed the cattle. Pray as there will be a meat shortage down here. My daughter, Renee, will be having her c-section on April 15th. She has had some health problems, and is now on bed rest. Continue to pray for her and her new daughter. I have started a Ladies meeting with Lucy in Quechua on Thursdays. Pray many women will come and have open hearts. Also Lucy and Chato will be getting married soon. Pray for their plans and that their marriage will honor Him. Malcolm Gregory, a co-worker, recently went to the states due to blindness in his left eye. Please keep him and his family in prayer. As always thank you for praying for my ministry with the deaf here in Bolivia. I continue to learn and laugh a lot at all my mistakes.

Please be praying for our summer staffing needs and our incoming NBI students for next fall. Also continue to pray for the financial needs regarding the canteen along with the construction that still needs to be completed before this summer begins. We are presently preparing the Bible lessons for this summer. Pray for wisdom and for the many kids who will hear the saving Gospel message this summer. Pray that even now their hearts will be prepared and tender to the Word and the Holy Spirit.
